As New Mexico's only SunPower Master Dealer, our solar systems are designed for high performance, reliability and long-term savings, and we're committed to each client relationship. When you choose SunPower by Positive Energy Solar, you are choosing the most qualified solar professionals in the industry, outstanding customer service, and a fully customized solar solution. SunPower by Positive Energy Solar is local, employee owned, and the only solar company in New Mexico that is a certified B-Corp.

With over 1500 solar installations in New Mexico and 100% customer satisfaction, you can trust that your solar system will be safe, reliable, and provide you with decades of clean solar energy.

Jim Pettigrew, a Wisconsin native, has now lived over half his life in the southern Rockies & Four Corners area. Before becoming a solar sales consultant, he was a busy Colorado real estate broker, and he's also previously taught chemistry and skiing . . . now he pretty much teaches solar. In his spare time, Jim's an avid hiker, skier, traveler and cook.
